

## Captain's Report

This is my first report as Captain and will be, mainly, thanking people for their help, this year.

Firstly I would like to thank the many members who took the time to represent the Club in the many Pennant teams we fielded. It was a year of mixed success and close calls. The major Pennant side won their division, with Craig Ellings and Russell Jones, both being undefeated in the preliminary rounds. Our team lost their semi- final, but it was a good result for the players and the Club.

I'd like to thank Shirley Smith, for her tireless work with the juniors. Vice Captain , John Kaye has done a tremendous amount of work for the juniors as well. They have been helped by many others.

The Match committee members have worked well together, looking after the members interests, and making my job easier. The other Board members have also been willing to step in and help, when needed.

To Mark Williams and his staff, thanks for the way the course is presented each week and especially during our Championships and other major events.

Your Board is working together, along with our dedicated staff, to improve your experience at Richmond. I'm sure the coming year will see many improvements, both on the course and in playing conditions.

With the Members help, these goals will be achieved.

Good Golfing
