

## Richmond Golf Club Autoscore Card Policy

The following is the Richmond Golf Club Policy for marking the Autoscore Card. This Policy should be read with the document titled Autoscore Card Tips.

- In order to reduce errors marking the new autoscore card, players must enter scores in both the Autoscore boxes (Lotto look alike) and the Players score area.
- If there is a discrepancy between the Autoscore and the written score for a hole, the higher score will count.
- If the counting score is lower than the actual score for the hole, the player is disqualified; if it is higher than the actual score for the hole, the higher score stands.
- Both the Player and Marker must sign the score card – penalty for breach: disqualification.

### Note:

- Autoscore = The mark placed in the coloured section of the card.  
 Written Score = The hand-written score recorded on the right half of the card.  
 Counting Score = The higher of the above two.  
 Actual Score = The number of strokes for the hole. This could be different than either the autoscore or written score.  
 Player's Score area = The section to the right of the coloured section.

PLEASE DO NOT MARK IN THIS SHADDED AREA				DO NOT MARK IN RED BAND										DO NOT MARK IN RED BAND
